The news of the Park Beach SLSC 55<sup>th</sup> reunion

September 2015

Hello again to all members of the former Park Beach SLSC.

In June we let everyone know that the 55<sup>th</sup> anniversary reunion of the former Park Beach SLSC will be on 5 December 2015. It will be part of the Carlton Park SLSC 40<sup>th</sup> anniversary celebrations.

During the day the annual Surf Festival will happen. We will be mixing with the current club members to celebrate the opening of the season and the nearly 60 years of surf lifesaving on the beach.

The Carlton Park club is making arrangements for a top day that will involve much planning and preparation. It should be a big event especially if we can get a good turn up from current and former lifesavers from the three clubs.

Park Beach was an important part of the development of the current club which was established in 1975 when the earlier clubs were amalgamated. It would be terrific if those of us from Park Beach could make a special effort to come along and enjoy the day and evening.

Carlton Park needs a reasonable estimate of numbers so detailed arrangements can be made.

It would be appreciated if you could come along so please let us know by 10th of October.

It is an informal occasion with minimal costs and pay your own food and drinks. There will be a special edition shirt and hoodie for sale to mark the occasion. Details and costs are not settled yet but they will be a great addition to your 'stylish' beach wear.

Just reply to this email by 10 October if you can come or if you would be interested in the special garments. This is not a formal commitment just to show your interest.

Best wishes for now,

...see you on December 5th
